One of Zonta Club of Hilo's community service projects for over 15 years has been to go to various pre-schools to read the "Hands Are Not For Hitting" book to the keiki, after which, each child would be given an opportunity to share what their hands are used for. The project has expanded as we now donate other books in the series to Hawai'i Island schools.

We have created a "Hands Are for Helping. . . not for hitting" t-shirt as a fundraiser* to observe "Sexual Assault Awareness Month" and "Child Abuse and Neglect Awareness Month" in April.

We in Hawai'i love t-shirts and what better way to show your support of this effort and help us spread this message in our community!

These t-shirts make great gifts! Purchase a few for you and your ohana!

Mahalo for your support,
Zonta Club of Hilo

*a portion of the proceeds will benefit our club
